

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF WESTERN)	CASE NO. 92-558-P
KENTUCKY GAS COMPANY)	

O R D E R

On December 22, 1993, in Case No. 92-558, the Commission approved, on an experimental basis, a mechanism for the monthly adjustment of rates for Western Kentucky Gas Company ("Western") in accordance with the gas cost adjustment ("GCA") clause set forth in the Order.

On April 3, 1995, Western filed its monthly GCA to be effective from May 1, 1995 to June 1, 1995.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Western's notice proposed revised rates designed to pass on to its firm sales customers an expected wholesale increase in gas costs in the amount of 16.92 cents per Mcf. Western's proposed expected gas cost ("EGC") for firm sales customers is \$3.0598 per Mcf.

Western also proposed to pass on to its interruptible customers a wholesale increase in gas costs. Western's proposed EGC for interruptible sales customers is \$2.3343 per Mcf.

2. Western has received no current supplier refunds to return to its customers. Total refund factors of 18.09 cents per

Mcf for firm sales customers and 6.74 cents per Mcf for interruptible customers reflect adjustments from previous months.

Western's notice, likewise, set out no current refund adjustments for firm or interruptible transportation customers. Total refund adjustments of 16.08 cents for firm and 4.73 cents per Mcf for interruptible transport customers reflect previous month adjustments.

3. Western's notice set out the 6-month correction factor ("CF") of 2.86 cents per Mcf which will remain in effect until October 1, 1995. The CF is designed to recoup net under-collections of gas cost from the 6-month period ending December 31, 1994.

4. These adjustments produce gas cost adjustments of (\$.5269) per Mcf for firm sales customers and (\$.8816) per Mcf for interruptible sales customers.

5. The rate adjustments in the Appendix to this Order are fair, just, and reasonable, in the public interest, and should be effective for final meter readings on and after May 1, 1995.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable and are approved effective for final meter readings on and after May 1, 1995.

2. Within 30 days of the date of this Order, Western shall file with the Commission its revised tariffs setting out the rates authorized in this Order.

Done at Frankfort, Kentucky, this 26th day of April, 1995.
